PROFILE

Graphic designer specializing in branding and visual identity, with experience delivering logo design, brand identity systems, social media design, and print design for clients internationally. Founder of Form and Flux, a creative studio built to serve clients across the UK, US, and Europe. Skilled in Adobe Illustrator and Adobe Photoshop, with a strong eye for original, detail-driven design and a client-first approach to communication. Currently expanding into UI/UX design.

DESIGN EXPERIENCE

Founder & Graphic Designer — Form and Flux (Creative Agency) 2025 – Present

- Founded and run an independent creative studio offering branding, logo design, and visual identity services to clients.
- Own the full client lifecycle: briefing, concept development, revisions, and final delivery.
- Building a professional portfolio and client base targeting the UK, US, and European markets.

Freelance Graphic Designer — Self-Employed 2025 – Present

- Deliver logo design, brand identity, social media design, and print design for a range of clients.
- Work in Adobe Illustrator and Adobe Photoshop to produce original, high-quality creative assets from concept to final files.

Graphic Design Intern — Dynamic Media Agency (Remote)

- Supported design projects remotely, contributing to branding and social media design assets.

Graphic Design Intern — Market X Solution

- Completed a hands-on internship applying core graphic design principles in a professional setting.
